

- Want to create a product making scholarship more accessible to students in need
- Create some kind of a platform that can also showcase the achievements of a student while seeking support from family, friends, and unknown people
- Students paying for tuition and other fees would appreciate some kind of guaranteed payment monthly to support them
  - Maybe create something like a subscription?
  - Being sponsored by larger companies like Apple or Nike to gain larger grants and can apply using their profile
    - Quick and easy for the students—less time consuming with a fair chance
- ACTIONABLE ITEMS
  - Have slides ready for presentation by Thursday DEC 1 - everyone
  - Prepare baseline wireframes for Tuesday - Akshitha
    - Add in logo and branding after finalized designs
